Clare is a style doctor, who does house calls, presentations and workshops – offering first aid and detox for your wardrobes...

Wardrobe Weeding

Maybe you have got in a rut, don't know what goes with what, buys bargains which turn out to be disasters and regularly find yourself thinking...I don't know why I even bought that! Or, perhaps you have a problem deciding what is stylish vintage or plain old fashioned!

£140

Clare will help you sort through the minefield of clash and clutter so that you have a wardrobe which is full of flattering choices and endless possibilities. 'It'll do' becomes a saying of the past!

Session is a minimum of two hours and is based on an hourly rate.

Personal Shopping

At last the time has come when you can recognise what a joy it is to choose clothes which assert your identity!...but, sometimes it's nice to just have those little nudges in the right direction or encouragement not to go back into wardrobe rehab.....

£120

2 hours
then
£35ph

A few hours of Personal Shopping will just ensure that you are inspired to continue this exciting discovery of a Stylish New You! Shopping becomes fun rather than stressful when you have clear guidelines and know which direction to head in! Put the "feel good factor" into shopping and find out how to mix 'n match and Save Time, Effort and Money!

This will normally be Truro, but other locations are a possibility. Ask Clare about other session options! With so many shops closing, on-line guidance can also be an option.

Session is a minimum of two hours and is based on an hourly rate.

Corporate

Clare takes her services into the workplace, schools and colleges and also works closely with the retail market.

Please enquire for details on how she can adapt her services to suit your requirements.

Or buy a Gift Voucher for a present that will last a lifetime!
